

Schaumburg Flying Club

September 14, 2006

Attending:

Bob Bos
Juan Cuellar
Tom Gaare
Marc Hall
Jim Liddle
Mike Miley
Jeffrey Puglielli
Leslie Wadsworth
Angus Watson
Don Segreti

Guest: David _____

Maintenance
Jim Liddle

August expenses were approximately \$400 in miscellaneous expenses

Nose fairing on 172 has been replaced by Tom Gaare. The club should reimburse Tom, though he's stubbornly refusing it.

Nose fairing on the 182 doing well with no signs of fatigue to repaired areas. [Addendum to monthly notes: a few days ago the nose fairing cracked. Norb is reviewing whether to repair or replace.]

Annual on 182 in 2 weeks. No issues at this time. [Addendum: Stay tuned for news at the annual meeting. PG found some problems and looks to be standing by their overhaul warranty.]

AD issued on 172 due to intermittent loss o power, though not applicable to us by serial number.

Ongoing maintenance concerns:

Door lock on 182 still causes door to jam and requires access into aircraft through the baggage door. PG will look at this during the annual.

Seat Latches – Cessna Service Bulletin will be looked at during annual (Poplar Grove)

Finances
Jeff Puglielli

July ~\$2700 loss in revenue

(because we had an insurance payment and don't do accrual accounting)

August ~\$1600 gain in revenue

See Jeff, Kevin, or Jim for the monthly financial summary we hand out at the meeting.

Fuel costs have now reached \$4.99/gal at Schaumburg. Rather than continue increasing fuel surcharges, Jeff suggested that we increase dues further. We'll need to do this no later than January to ensure that we can also successfully fund our upcoming overhaul in 9SP.

Annual Meeting
Jeff Puglielli

Annual meeting will be the October meeting scheduled for October 12, 2006
